VICE PRESIDENT | BROKERAGE

## PROFESSIONAL BIO

Drew Clary joined Intelica CRE™ in the fall of 2014 right out of College. He was hired to assist the company with the leasing and disposition of several distressed assets, owned by Sabal Financial Group, a subsidiary of Oaktree Capital. After completion, he began to focus on Industrial and Office transactions, with an emphasis on sub-markets in St. Louis County. However, he still makes time for the occasional Retail or Investment deal. He is licensed by the Missouri Real Estate Commission and is currently pursuing his Certified Commercial Investment Member designation (CCIM).

Drew assists with tenant, buyer, landlord, seller and investor representation, and is known for his creative approach to finding value and building wealth for his clients. Some of his clients include Oaktree Capital, Kozeny Wagner, Fred Weber, Williams Scotsman, PK Construction, Ironman Sound Industries, and Black & Veatch.

When not at work, Drew enjoys attending Cardinals and Blues games and is a local sports fan. He currently resides in Downtown St. Louis, where he likes to cook, visit local restaurants and hang out with friends by the pool.
