

ELIJAH GRAY

MAINTENANCE TECHNICIAN

PROFESSIONAL BIO

As a Maintenance Technician at Intelica CRE™, Elijah works with property managers to ensure their maintenance requests are performed both timely and professionally for tenants. Elijah and his co-technicians help maintain numerous systems and troubleshooting and repairing the needs of managed properties.

Elijah is currently attending St. Louis Community College, where he is majoring in Business Administration.

Outside of work and school, Elijah enjoys spending time with his family and girlfriend. He also plays lead guitar in a band.

EDUCATION

St. Louis Community College - B.S. Business Administration (Currently Attending)
