

## KEITH WILLING Maintenance Service Technician

**C** 314.498.2324  
kwilling@intcre.com

### PROFESSIONAL CAREER

Keith was born and raised in Hannibal, MO and started his home building/maintenance career at 17, with his father's supervision. Years later Keith moved closer to St. Louis to advance his career into Commercial Real Estate Building/Maintenance.

As a Maintenance Technician at Intelica CRE™ Keith works with property managers to ensure their maintenance request are performed timely and professionally. Keith and his co-technicians help maintain numerous systems, troubleshoot and repair the needs of managed properties.

Before joining Intelica Keith worked for Builder Bloc Residential Builder and Waterhout Commercial Construction
