

MICHAEL CAMPBELL | CPA

PROPERTY MANAGEMENT CONTROLLER

PROFESSIONAL BIO

Michael Campbell is the Property Management Controller at Intelica CRE™. Michael oversees the financial functions for Intelica's real estate management portfolio. These responsibilities include cash management, debt service, monthly financial reporting and year-end tax and financial requirements. He oversees Intelica's property management accounting team to ensure orderly operations and the delivery of best-in-class customer service daily.

Previously, Michael spent the last 21 years in the technology and commercial real estate industries in Austin, Texas as a Controller and CFO. He was an instrumental business partner and financial advisor to CEO, board members, senior leadership, underwriters, auditors and team members and is an expert at leading all financial and fiscal-related aspects of a company's operations.

Michael was born and raised in St. Louis. He enjoys spending time with family and friends. He is a big St. Louis Cardinals and Blues fan and enjoys listening to live music.
