PROFESSIONAL CAREER

Marnice Smith is a Property Accountant for Intelica CRE™. In this role she is responsible for providing financial services for a portfolio of properties. These responsibilities include: payables and receivables, reconciling bank statements, processing of rent payments, posting of rents to the tenant ledger and making bank deposits. Marnice works closely with the property managers to ensure that all payables and receivables related to their properties are processed in a timely manner. Prior to Intelica CRE, Marnice worked at SSM Health and was responsible for accounting services for the Home Care Division. Marnice comes to Intelica with over 14 years of accounting experience in the banking, healthcare, construction and manufacturing markets.
