

HUNTER BYRNE

PROPERTY ADMINISTRATOR

PROFESSIONAL BIO

Hunter Byrne is a Property Administrator at Intelica CRE™. In this role, she handles day-to-day operations including budget preparations, onboarding new properties and insurance administration. In addition, she handles file upkeep and invoices.

Hunter started at Intelica as a Property Management Intern. She was able to help assist the property management team and grow and develop her professional skills while learning the property management business.

When not at work, she enjoys traveling and going to her family's lake house in Lake of the Ozarks. She also enjoys being around her friends and family and playing volleyball.

EDUCATION

Bradley University - B.S. Marketing - *cum laude*
