

JOSH EVOLA

MAINTENANCE TECHNICIAN

PROFESSIONAL BIO

As a Maintenance Technician at Intelica CRE™, Josh works with property managers to ensure their maintenance request are performed timely and professionally for tenants. Josh and his co-technicians help maintain numerous systems, troubleshoot and repair the needs of managed properties. Before Intelica, Josh worked at Auto Spa Inc. for 3 and a half years. He also graduated from Ranken Technical College for plumbing technology and installation and is OSHA certified.

Josh lives in Oakville, MO and has a large family, along with his dog, Hazel. He enjoys going hiking or bike riding with his girlfriend.
