

CHAZ JAQUESS

CONSTRUCTION PROJECT MANAGER

PROFESSIONAL BIO

Chaz Jaquess is a Construction Project Manager for Intelica CRE. In this role, Chaz provides construction management services, using specialized, project management techniques to oversee the planning, design, and construction of Intelica projects/properties, from its beginning to its end. He also supervises and directs on-site operations within each project/property, ensuring projects/properties are completed safely, run on time and within the allocated budget allowance.

Chaz brings over 10 years of past construction experience, completing tenant improvement projects, managing multi-family housing, historic renovation and commercial construction projects with complex financing. He has provided services as an owner's representative and third party inspector in seven states for banking institutions.

Chaz lives in St. Charles County with his wife, two children and two dogs. He enjoys spending time with his family and traveling.
