

# EMILY CLINE

PHOTOGRAPHY/VIDEOGRAPHY/SPECIALIST | MARKETING

## PROFESSIONAL BIO

Emily Cline is the Videographer, Photographer and Marketing Specialist at Intelica CRE™ along with Social Media and Website Coordinator. In this role, Emily is responsible for all property, event and website photos including all employee portraits. She also is responsible for all 360 tours, drone footage as well as interview style and case study videos. Emily helps orchestrate marketing and brokerage events and coordinates all internal Intelica, Bamboo Equity Partners™ and Oakline Studio™ events. In addition, she is responsible for social media, website management and email marketing efforts for both Intelica, Bamboo and Oakline. Emily also maintains the database of property photos and helps create marketing materials to create a better brand standard.

Prior to joining Intelica, Emily was a Marketing Assistant at Pace Properties. In this role, she was responsible for property photos and 360 tours, brochures and other marketing materials. She also created social media posts and worked on website updates.

Emily is a resident of South City and enjoys visiting local parks and restaurants. She also likes cooking vegan meals, watching movies, creating short films and being around her friends and family.
